

[Intro] Road and The Sky Page 1 of 2

E D (2x)

F#m D A
When we get to the place where the road and the sky collide,

E
I used to know where they ended and the world began,

A D
But now it's gettin' hard to tell.

A E A
We could be just around the corner from heaven or a mile from hell.

[Refrain]

D
I'm just rollin' away from yesterday

A
Behind the wheel of a stolen Chevrolet.

I'm gonna get a little higher,

See if I can hotwire reality.
